A COMMON MYTH

A COMMON MYTH IS THAT PALESTINE WAS AN ARAB NATION UP UNTIL THE REBIRTH OF ISRAEL. THE ISRAELIS TOOK THE LAND FROM PALESTINIANS. NOT TRUE!

Great Britain controlled the "region of Palestine," which included all of modern Israel and Jordan, until she grew tired of governing the volatile area and asked the UN to decide what to do with it. British forces conquered Palestine and took it from the Ottoman Empire in 1917. The Turks, not Arabs, had controlled it since 1517.

NO! THERE NEVER WAS A NATION CALLED PALESTINE!

2

THE ROMANS, THE REAL COLONIAL POWER, CHANGED THE NAME OF JUDEA TO PALESTINE.

ISRAEL IS ACCUSED OF BEING A COLONIAL POWER, JUST LIKE THE EUROPEAN NATIONS WERE IN AFRICA. BUT THIS TOO IS A MYTH.

The fact is that Israel was dispersed and exiled from her land by the greatest colonial power in history—the Roman Empire. After conquering Jerusalem, in an effort to rid Judea of its Jewishness, the Romans renamed the region Palestine in 135 CE.

They were tired of Jewish uprisings and decided to deport the Jews and change the name. The name came from the ancient Philistines (who have no connection to present-day Arabs. The Philistines were wiped out in 1200 BC). It was a region, not a nation.

There has never been a president of a country called Palestine nor a government of Palestine. It could be compared to New England, a region in America with no government. There has never been an independent Arab state in 'Palestine' , NEVER!

THE IDEA OF AN ETHNIC PALESTINIAN IS A MYTH.

A BRIEF HISTORY

In 1917 Great Britain promised to create a Jewish Homeland in the region of Palestine. They issued the Balfour Declaration.

Foreign Office,

November 2nd, 1917.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet

'His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country"

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

SAN REMO ADOPTS BALFOUR

The San Remo Conference was an official international gathering following World War I to determine the precise boundaries for territories captured by the Allies. It was legally binding.

On April 25, 1920, the Sam Remo Conference confirmed the Balfour Declaration of 1917.

It commissioned Great Britain with "putting into effect the declaration made on November 8th, 1917, by the British Government and adopted by the other Allied Powers, in favor of the establishment in Palestine of a national home for the Jewish people..."

In 1922 the UK took 80% of the Land promised to Israel and created the 1st homeland for Palestinian Arabs called Jordan!

In 1939, just as Hitler was seeking to kill every Jew in Europe, Great Britain limited Jewish immigration to Palestine to 75,000! (there were 19.5 Mil. Jews in Europe)

THE PEEL COMMISSION THE REAL OCCUPIERS

In 1936 the peel commission wrote this regarding the conflict: “A brief account of ancient Jewish times in Palestine, of the Arab conquest and occupation, of the dispersion of the Jews and the development of the Jewish Problem, and the growth and meaning of Zionism.”

They recommended creating an Arab nation and a Jewish nation in ancient Palestine.

The Jews would be receiving a much smaller nation (see blue) than that which was promised in the Balfour Declaration, but they accepted it.

The Arabs, on the other hand, outright rejected it.

1947 UN PARTITION PLAN

ON NOVEMBER 29, 1947, THE UNITED NATIONS VOTED ON ANOTHER PROPOSAL CALLED PARTITION. IT PASSED 33 TO 13.

Jews rejoiced, and the Arabs declared war.

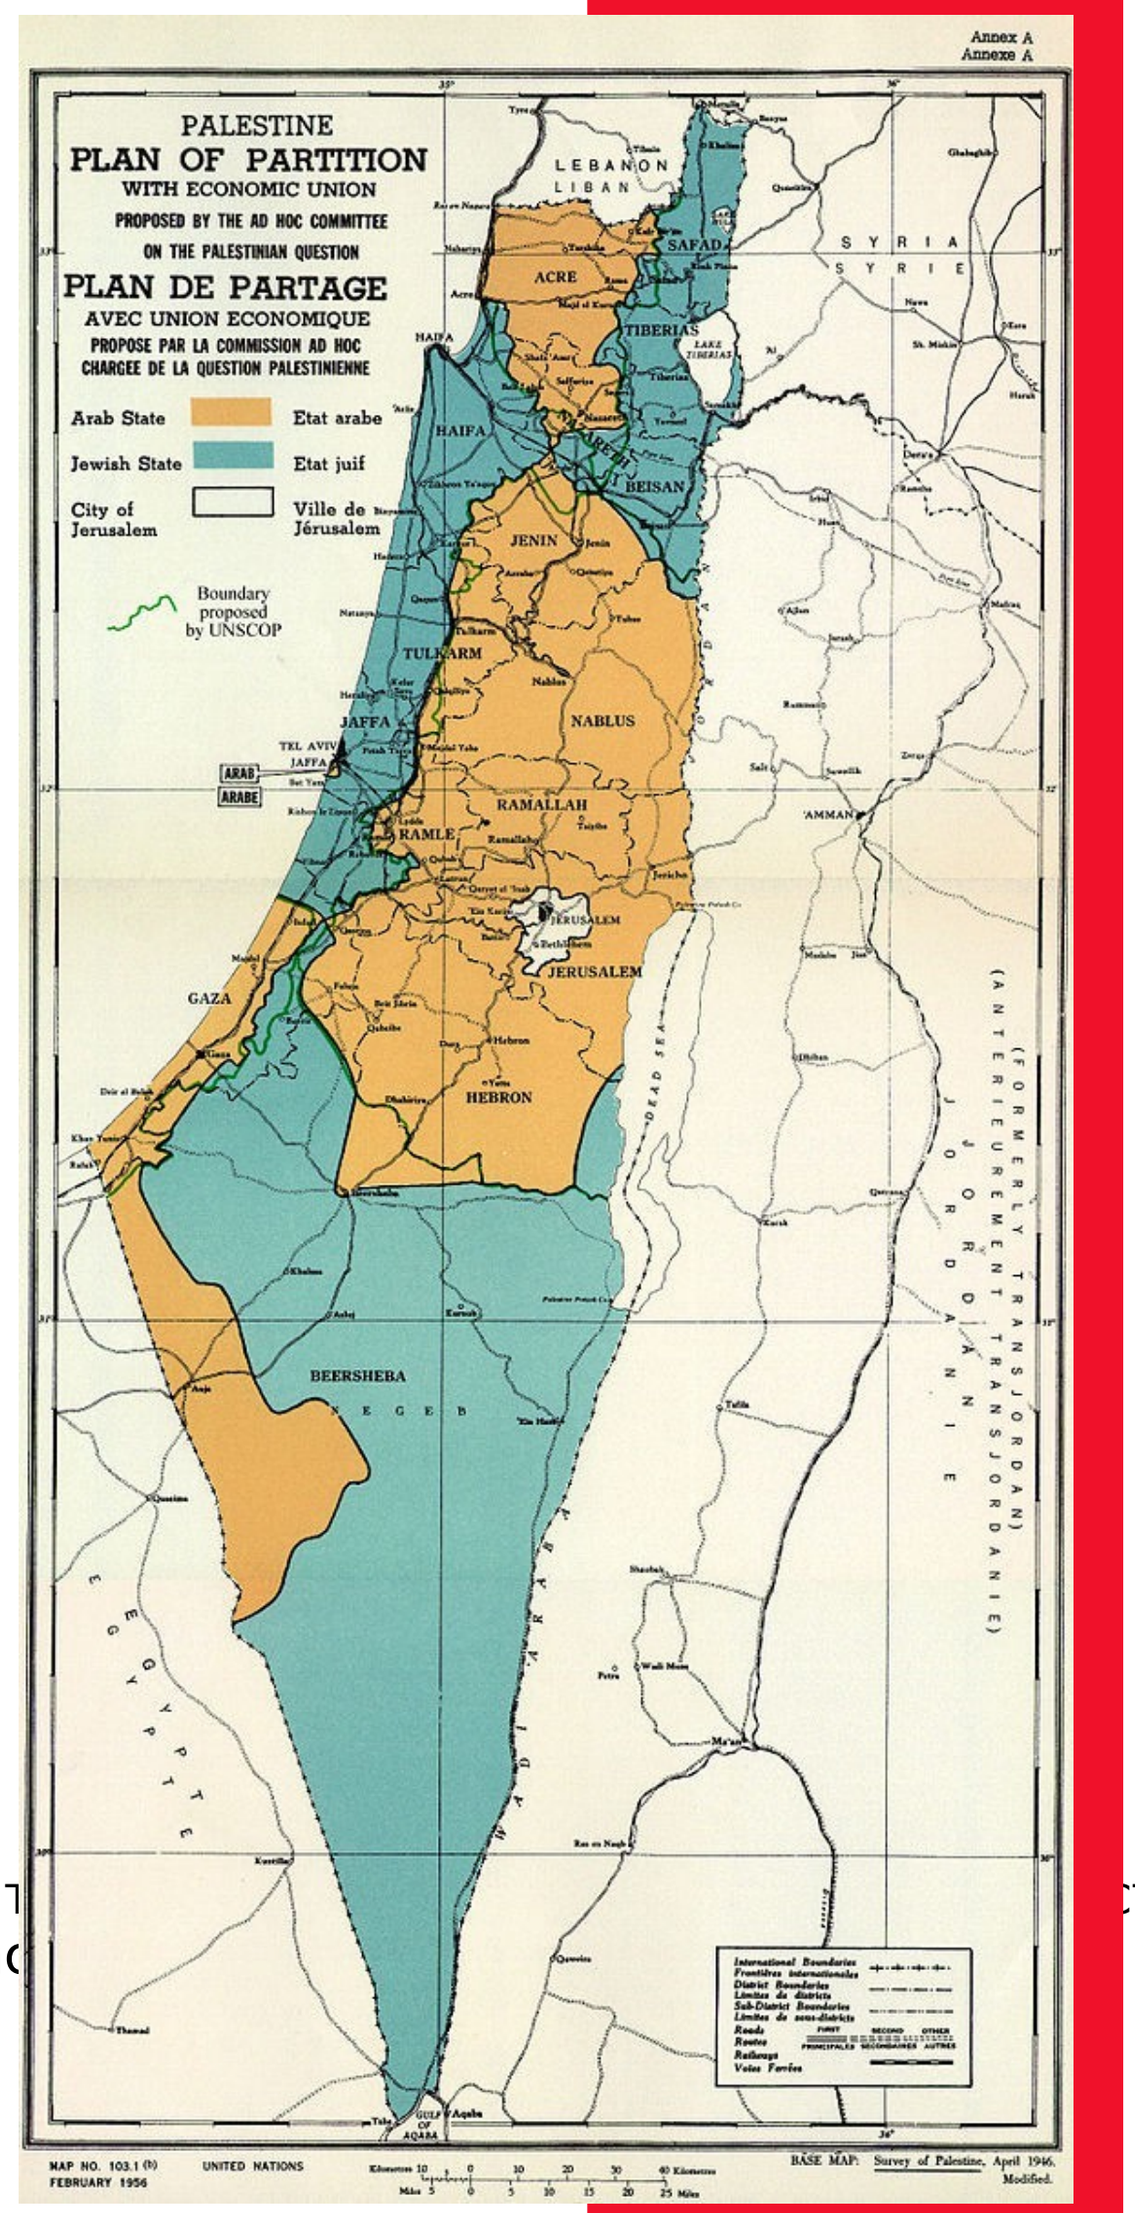
ZIONIST REJOICINGS.

BRITISH MANDATE FOR PALESTINE WELCOMED.

News of the conferment of the mandate for Palestine on Great Britain has created a great impression on Zionist and Jewish circles. A prominent Zionist has given the following views to a representative of the London Jewish Correspondence Bureau :—

THE ARABS HAVE NEVER ACCEPTED A PALESTINIAN STATE OF THEIR OWN UNLESS IT MEANT THERE WOULD NOT BE A JEWISH STATE.

Ironically, it was on this very evening that a Hebrew university professor was looking at the Dead Sea Scrolls for the first time, realizing, even as they were voting, that he was holding a document that proved the existence of ancient Israel and the historicity of the Bible.



4

WHAT WAS THE PALESTINE THAT THE PALESTINIAN LIBERATION ORGANIZATION WANTED TO DELIBERATE?

When the PLO (Palestine Liberation Organization) was created, Jordan controlled the West Bank and Egypt controlled Gaza.

The goal of the PLO was to liberate Palestine. However the West Bank was already in Arab hands and so was Gaza. They wanted Israel (Tel Aviv, Haifa, etc.).

In other words, if their goal was to create an independent Palestinian state in the West Bank and Gaza, they should’ve been fighting Jordanian Egypt, not Israel!

OF COURSE, THEIR GOAL WAS ISRAEL’S COMPLETE DEMISE. THEIR DESIRED GOAL WAS THE COMPLETE GENOCIDE OF ISRAEL.

THE 15 MOST IMPORTANT FACTS YOU NEED TO KNOW ABOUT THE ISRAELI PALESTINIAN CONFLICT

roncantor.com

1948

BEFORE ISRAEL WAS REBIRTHED IN 1948, ANY PERSON WHO LIVED IN THAT REGION WAS CONSIDERED PALESTINIAN: ARAB OR JEW.

The 'Jewish' newspaper was called the ‘Palestine Post’.

Why would any Jew name his newspaper after another people group?

Why would any Jew name his paper after an Arab country?

THE PALESTINE POST

STATE OF ISRAEL IS BORN

The first independent Jewish State in 19 centuries was born in Tel Aviv as the British Mandate over Palestine came to an end at midnight on Friday, and it was immediately subjected to the test of fire. As "Medinat Yisrael" (State of Israel) was proclaimed, the battle for Jerusalem raged, with most of the city falling to the Jews. At the same time, President Truman announced that the United States would accord recognition to the new State. A few hours later, Palestine was invaded by Moslem armies from the south, east and north, and Tel Aviv was raided from the air. On Friday the United Nations Special Assembly adjourned after adopting a resolution to appoint a mediator but without taking any action on the Partition Resolution of November 29.

Yesterday the battle for the Jerusalem-Tel Aviv road was still under way, and two Arab villages were taken. In the north, Acre town was captured, and the Jewish Army consolidated its positions in Western Galilee.

JERUSALEM HAS BEEN JEWISH FOR 3000 YEARS!

Jerusalem was first capital of Israel under King David 3,000 years ago. It has never been the capital of any Arab or Muslim country - including that of Palestine. It has never (until Jews began to return there) been significant to the Arab people. In others words, you will not find these words in the Koran, but in the Hebrew Scriptures:

“ IF I FORGET THEE, O JERUSALEM, LET MY RIGHT HAND FORGET HER CUNNING. IF I DO NOT REMEMBER THEE, LET MY TONGUE CLEAVE TO THE ROOF OF MY MOUTH, IF I PREFER NOT THEE JERUSALEM ABOVE MY CHIEF JOY ”

Psalm 137:5-6

NOT FROM PALESTINIANS, BUT FROM JORDAN.

WHEN ISRAEL CAPTURED JERUSALEM IN 1967, IT WAS NOT FROM PALESTINIANS, BUT FROM JORDAN.

Why didn't the 'Palestinian' Arabs demand that Jordan give them their own state from 48-67, if indeed there was such a thing as ethnic Palestinians apart from Jordanians? Or course the reason is simple.

Jordanians did not differentiate between Arabs on the East and West side of the Jordan. river.

8

THANKS JORDAN!

ISRAEL HAD NO PLANS OF ATTACKING JORDAN DURING THE SIX-DAY WAR AND EVEN SENT A COMMUNICATION TO THE KING REGARDING THIS FACT.

However, King Hussein believed the false reports from Egyptian President Nasser, that Egypt was winning the war. King Hussein, in hopes of getting more land, attacked

driven back over the Jordan River in a matter of days. That is how Israel ended up with Jerusalem in 1967. Had Jordan not attacked Israel in 1967, Israel would not be in

AN INVENTED PEOPLE?

There is no language called Palestinian. Palestinian Arabs speak an Arabic dialect similar to the Arabic of Lebanon, Syria and Jordan - all countries less than 100 years old.

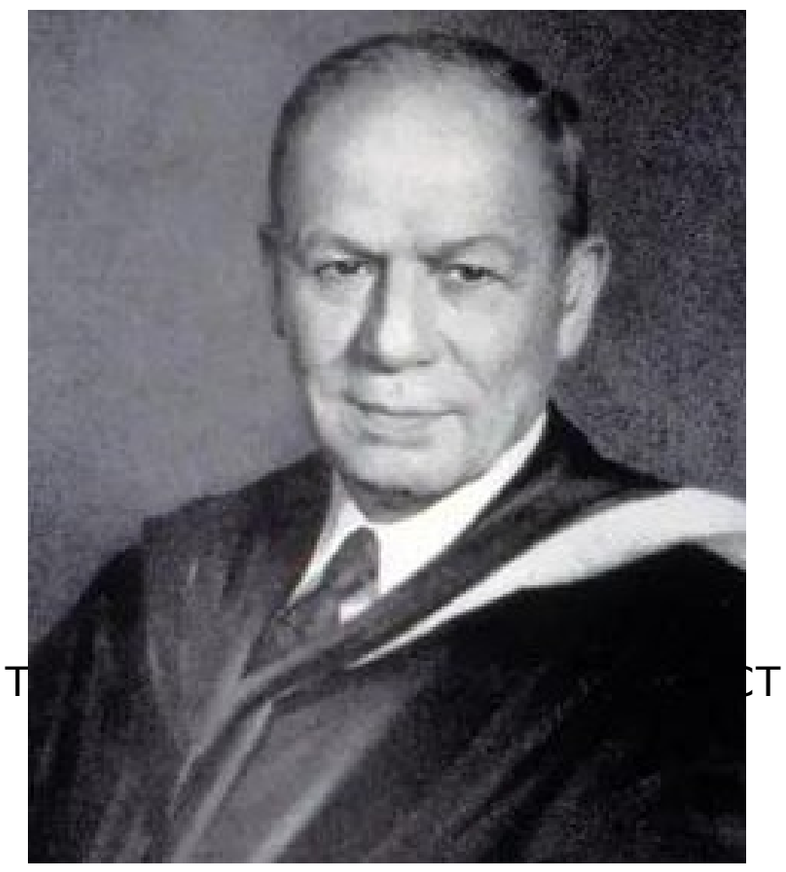
Newt Gingrich once called the Palestinians an 'invented people.' Only in the last generation or two did the Arabs west of the Jordan River identify themselves as ethnic Palestinians.

You will not find anything in History Books about a Palestinian people before the PLO.

check any history, book or encyclopedia to see of any accomplishments from Palestinians over the centuries, and you will find zero, because there was no Palestinian people.

Arab-American historian, Princeton University Prof. Philip Hitti in 1946

“THERE IS NO SUCH THING AS ‘PALESTINE’ IN HISTORY, ABSOLUTELY NOT.” —ARAB-AMERICAN HISTORIAN PHILIP HITTI



PALESTINIAN ARABS DID NOT CONSIDER THEMSELVES ETHNIC PALESTINIANS

"We consider Palestine as part of Arab Syria, as it has never been separated from it at any time. We are connected with it by national, religious, linguistic, natural, economic and geographical bonds."

--Palestinian Representatives to the Paris Peace Conference in 1919

“There is no such country as Palestine! ‘Palestine’ is a term the Zionists invented! There is no Palestine in the Bible.

Our country was for centuries part of Syria.”

--A local Arab leader, Auni Bey Abdul-Hadi in 1937 before the Peel Commission

PALESTINE WAS A NEGLECTED WASTELAND UNDER MUSLIM RULE

Only when the Jews returned did the land begin to bear fruit. Like Isaiah said, "the desert blossomed like a rose." (Is. 35:1). The first Jews to return drained malaria filled swamps and cleared rocks from the un-farmable land. In 1867, Mark Twain visited the region and described it as a:

" DESOLATE COUNTRY WHOSE SOIL IS RICH ENOUGH, BUT IS GIVEN OVER WHOLLY TO WEEDS-A SILENT MOURNFUL EXPANSE.....A DESOLATION IS HERE THAT NOT EVEN IMAGINATION CAN GRACE WITH THE POMP OF LIFE AND ACTION ... WE NEVER SAW A HUMAN BEING ON THE WHOLE ROUTE....THERE WAS HARDLY A TREE OR A SHRUB ANYWHERE. EVEN THE OLIVE AND THE CACTUS, THOSE FAST FRIENDS OF THE WORTHLESS SOIL, HAD ALMOST DESERTED THE COUNTRY.

YOU SEE THAT LITTLE TINY SLIVER OF BLUE AND WHITE?

That is how much of the Middle East is in Jewish hands. And this doesn't even include all the Arab nations of North Africa, like Egypt, Libya and Morocco!

THE PALESTINIAN REFUGEE DILEMA

THE END RESULT OF ISRAEL'S WAR OF INDEPENDENCE WAS ABOUT 700,000 ARAB REFUGEES WHO FLED ISRAEL IN THE WAKE OF WAR.

Palestinians claim that Israel forced the Arabs out. However, there is a massive evidence that the vast majority of these Arabs fled at the command of Arab leaders. They told them to leave, and within a few days, they could return to a conquered Palestine. However, instead of the hoped-for Jewish genocide, the five Arab nations that attacked Israel were defeated, creating hundreds of thousands of refugees..

GENOCIDE - ALMOST!

"[THIS WILL BE] A WAR OF **EXTERMINATION** AND MOMENTOUS MASSACRE WHICH WILL BE SPOKEN OF LIKE THE MONGOLIAN MASSACRE AND THE CRUSADES."

Abdul Rahman Azzam, the Arab League's first secretary-general,
Obtober 11th, 1947, Akhbar al-Yom (Egyptian Newspaper)

Despite the fact that the vast majority of Arabs fled at the bequest of their leaders, the Israeli forces did evacuate some Arab towns for strategic reasons.

However, this was in the midst of a war for survival. Only three years separated from the Holocaust, Jews were once again being threatened with ethnic cleansing. To lose

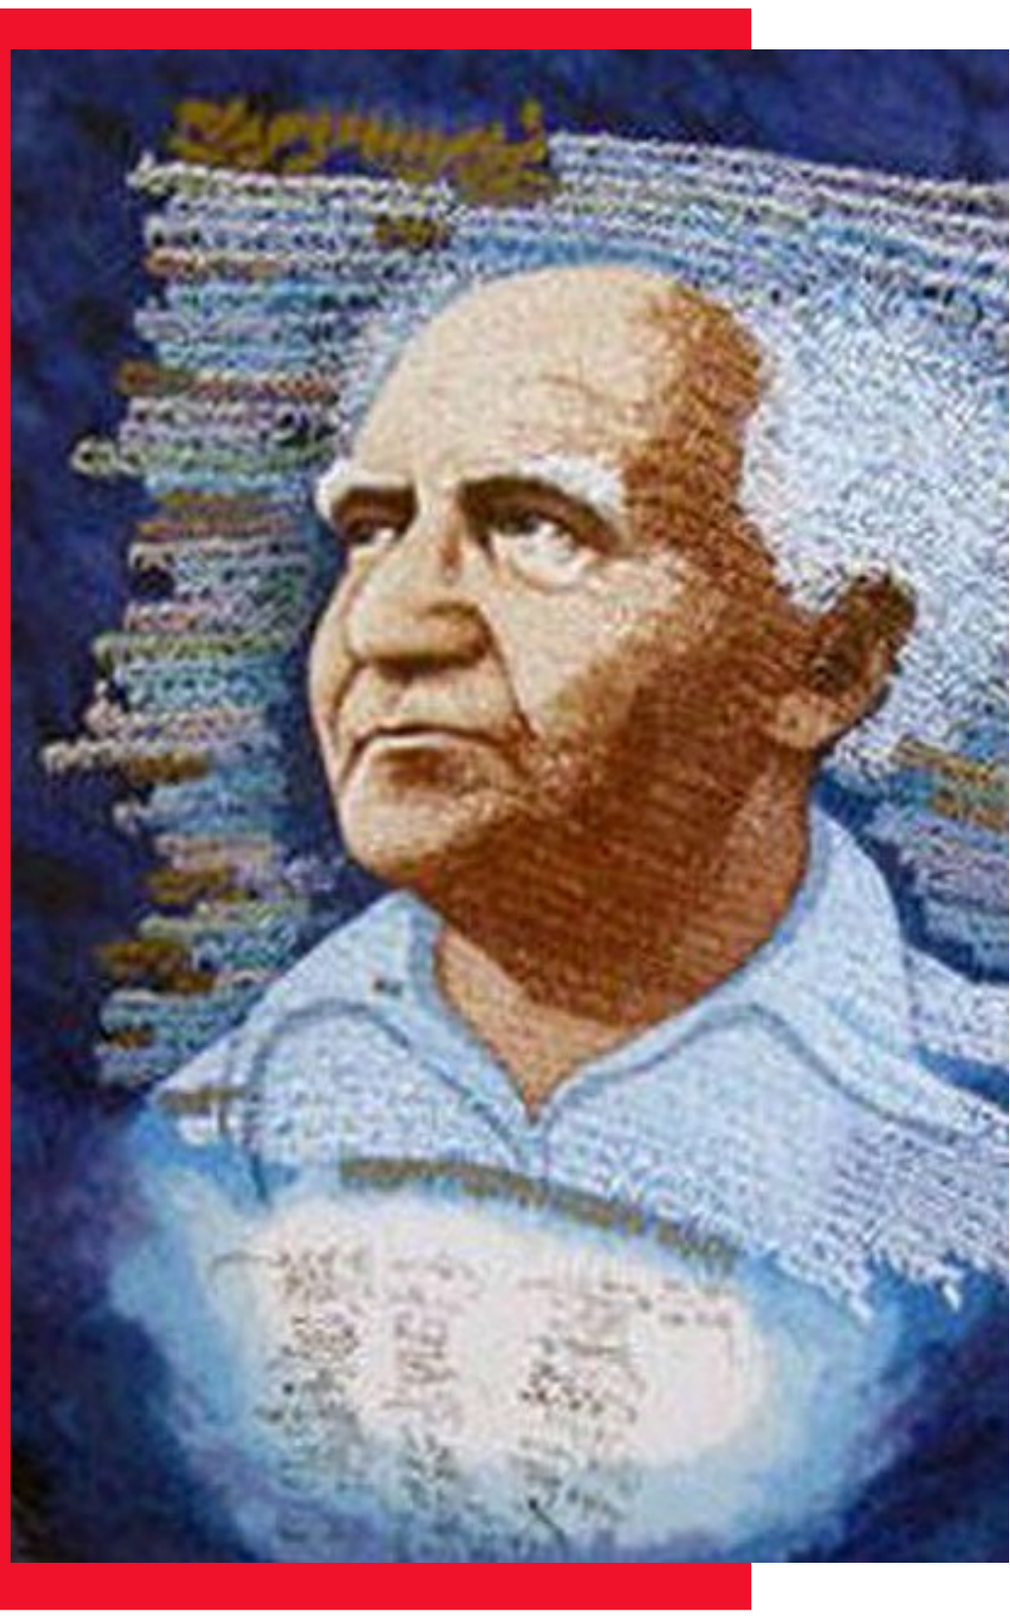
4 PROOFS THERE WAS NO MASS EXPULSIONS OF ARABS

Prime Minister David Ben Gurion, in his Declaration of Independence on May 14, 1948, said:

“ WE APPEAL - IN THE VERY MIDST OF THE ONSLAUGHT LAUNCHED AGAINST US NOW FOR MONTHS - TO THE ARAB INHABITANTS OF THE STATE OF ISRAEL TO PRESERVE PEACE AND PARTICIPATE IN THE UPBUILDING OF THE STATE ON THE BASIS OF FULL AND EQUAL CITIZENSHIP AND DUE REPRESENTATION IN ALL ITS PROVISIONAL AND PERMANENT INSTITUTIONS.”



1ST PROOF

The Arabs who were evacuated from towns like Lod stayed in Israel! They are still here today. They were not forced to leave the land.

2ND PROOF

How could an army of 30,000 barely trained, ill-equipped soldiers evacuate 700,000 people? It is impossible!

3RD PROOF

Around 200,000 Arabs stayed in Israel and became citizens and number 2,000,000 today. If Israel was intent on ethnically cleansing the country of Arabs, why let any stay? Why give them citizenship?

SOUTH AFRIC[illegible] ACCUSATION OF AN APARTHEID.

4TH PROOF

Recently, South Africa not only accused Israel of operating an apartheid system against Palestinians but also against the 2 million Israeli Arabs who are citizens of the state of Israel. Not only do Israeli Jews and Arabs drink from the same water fountains and ride the same buses, but they hold the same positions throughout society.

In Israel, you will find

Arabs in our Supreme Court, in our Knesset (parliament), holding jobs like doctors and lawyers. Recently, Israel marked 100 days for our hostages in Gaza. An Israeli Arab singer, Valeria Hamate (Watch her sing hallelujah with a Jewish Israeli), came to the event and sang in Hebrew to comfort Israelis. That sure doesn't sound like apartheid.

What South Africa DIDN'T TELL YOU is that these 2 million Arabs choose to stay in Israel because of the freedoms and economic opportunities that are offered here.

They could move to any other Arab country but have no desire to.

They could move into the Palestinian territories, but they have no desire to.

THERE COULD HAVE BEEN PEACE IF...

If the Arabs accepted the Peel Commission in 1936,

If the Arabs had accepted the U.N. Partition Plan in 1947...

If the Arabs had been willing to sign a peace agreement with Israel after they lost the 1948 war...

If not for Hamas, Hezbollah and Iran threatening Israel with terror.

If not for October the 7th where they murdered 1200 Israelis.

If the Arabs didn't threaten Israel with genocide in 1967 (forcing the Six-Day War and the taking of the West Bank, the Golan, and Gaza)...

If not for those facts, Israel would be living at peace today with her Arabs neighbors.

Israelis only want peace...but a real peace.

WALL OF SEPARATION OR SECURITY FENCE?

THIS?

OR

THAT!

WALL OF SEPARATION OR SECURITY FENCE?

While nearly every picture of Israel's Security Fence shows a massive 26 ft. wall, in truth 96% of it is a mesh fence. The concrete walls were ONLY erected in places where Palestinian Terrorists were shooting Israeli motorists! But you would never know that from reading the news, would you?

FENCE FACTS

THE 15 MOST IMPORTANT FACTS YOU NEED TO KNOW ABOUT THE ISRAELI PALESTINIAN CONFLICT

roncantor.com

The Security Fence was constructed in response to a wave of terrorism and suicide bombings that killed nearly 1,000 innocent Israelis in buses, restaurants and in their homes from 2000-05.

A Security Fence already existed around Gaza, and despite being home to some of the most evil terrorists in the world, not one suicide bomber has been able to infiltrate Israel from Gaza.

After the Fence was completed in 2005 Suicide bombings have nearly ceased. They are down more than 90%!

Israelis recognize that the Security Fence has inconvenienced some Palestinians, but to not build the Fence would have been to allow more innocent Israelis (not soldiers) to be murdered.

The Security Fence has not only saved hundreds, or maybe thousands, of Israeli lives, but Palestinian ones as well. More bombings would have meant deeper conflict - and thus, more Arab deaths. There are Palestinians enjoying life now, because Israel built the fence!

18

LEBANON IS THE REAL PERPETRATOR OF APARTHEID!

The UN reported in 2020 that Palestinians in Lebanon are "prevented from employment in 39 professions such as medicine, law and engineering... are socially marginalized, have very limited civil, social, political and economic rights, including restricted access to the Government of Lebanon's public health, educational and social services and face significant restrictions on their right to work..."
— United Nations Relief and Work Agency for Palestine Refugees, updated September 2020.

"Arab citizens of Israel.... can own, buy and sell property, can vote and run in national and local elections, have equal access to free public healthcare, education and other services.……Many Arab Israelis serve in senior positions in hospitals, universities and colleges, courts, the civil service, and even in the Israel Police and the Israel Defense Forces."

—Arab Journalist, Basam Twili, Jan. 16, 2024

CONCLUSION

Israelis want peace. We have offered it over and over again. The Islamic extremists want genocide. While we are building a society while we are building, the terrorist are building rockets. Well, we offer peace, they offer war. No reasonable person could see it any other way. These facts prove that Israel did not steal the land for Palestinians and have offered over and over again to live in peace together.
